Happy 60th Anniversary Augusta Technical College!

Diamond Anniversary Celebration!

Augusta Technical College is excited to celebrate 60 years as a public postsecondary academic institution building a skilled workforce and economically stronger communities in the CSRA through high-quality, innovative, and affordable career-advancing credentials.

Celebrating a 60th anniversary is an incredible achievement, which is why it has traditionally been celebrated with a **diamond**. The most breathtaking and valuable of all gems, the association of the diamond with the 60th Anniversary reflects the significance of an institution's founding.

During the Fall 2021 semester, there will be several celebrations to mark our Diamond Anniversary, including the inaugural *Den of Distinction* Induction and the *The Gathering @ Augusta Tech*. You can also support student scholarships by becoming a member of *Club 1961*. (Keep reading to learn more!)

We are the *Cougar Nation*, and those of us who work and study at Augusta Technical College consider this our home.

We invite you to join us in celebrating 60 years of service in the community. Please help us spread the word by sharing these upcoming events with your friends and family, in your businesses, organizations and churches, and on social media.

We look forward to seeing you on campus soon! Go Cougars!

Den of Distinction

Alumni Recognition

The *Den of Distinction* is our alumni recognition event. We will be inducting our inaugural group of alumni on Friday, September 24, 2021. This semi-formal event promises to be a fun-filled evening honoring your professional and personal achievements.

The *Den of Distinction* celebrates Augusta Technical College alumni who have shown significant accomplishments in their chosen field and are involved in the community. The induction comes after a highly competitive application and review process. Induction into the *Den* is an elite honor reserved for our most distinguished alumni who will blaze the

trail that new members of the *Cougar Nation* will follow.

This is an invitation-only event. If you have any questions about the *Den of Distinction*, please reach out to Dr. Ashley Strong-Green at astrong-green@augustatech.edu or by phone at 706.771.4115.
